

A Park for All, Treecycling

Treecycling Solutions

The holiday season is almost here. **Recology** has many recycling solutions. After the holidays, just cut your tree into three-foot-long sections and stack them next to the green yardwaste Toter® between December 26 and January 17.

Trees may always be cut to fit inside the yardwaste Toter®. Trees placed in the green Toter® must be free of tinsel, flocking, ornaments, and tree stands. The Toter® lid must be able to close. Trees with these materials may be cut up and placed in your gray residual waste Toter® or call for a special pickup.

Fall is here and the leaves are changing with the season. **Recology** offers three options for extra yardwaste collection. The first option is to rent additional yardwaste Toters® from **Recology**. The second option is to use your own sturdy 32-gallon cans that have handles and tight fitting lids. The third option is to use twine to tie tree or shrub prunings into bundles that are no larger than 3 feet by 2 feet. There is no extra charge for bundles or extra cans. Place either beside your green Toter®. Your green Toter® must be set out to use Extra Yardwaste services.

The **Recology Golf Committee** presents a check for \$42,000 for the Play 4 All Park that is being built in Vacaville. The funds were raised during the annual **Recology Golf Tournament** that was held in June.

The **Recology Golf Tournament** raised a record amount of funds to help build a special community park in Vacaville. A check for \$42,000 was presented to the Play 4 All Park organization that is building a park for people of all abilities.

“Recreation is important to everyone,” said Scott Pardini, General Manager of **Recology Dixon**. “The Play 4 All Park will allow children and adults to enjoy sports and activities without limitations from physical abilities. **Recology** employees are proud to support this effort.”

The funds for the donation were provided by the employee/owners of **Recology** during their annual golf tournament that was held in June.

Residential Street Sweeping Schedule

Streets are swept during weeks marked in green and are swept weekly during November and December. Call 678-4026 or click recology.com for information.

Remove vehicles from the curb by 5AM on your sweep day to ensure your street area is swept.

Zero IN Dixon

A Home for Local Vets

Recology helped make the construction of the veterans' residence possible through funds donated by **Recology** employee/owners. Representing **Recology** above are Bill Burrage, Christine McGuire, Sam Lopez, Julia Lopez, Scott Pardini, and Steve Hendrix.

The new residence for military veterans was dedicated on August 24th, 2019, in Dixon. **Recology** employee/owners donated proceeds from two golf tournaments to the project. The six bedroom house now provides a permanent home for six local veterans. It is allowing them to live safe, healthy, and productive lives.

“Many of the employees of **Recology** are either military veterans or related to veterans,” said Scott Pardini, General Manager of **Recology Dixon**. “Providing a safe, comfortable home for those who served was a community project that captured our hearts. We are all so proud to have helped build this home.”

In addition to the funds, **Recology** purchased and donated a unique bench for the veterans. The bench was constructed from salvaged wood from the original home that stood on the property.

The veterans' residence took two years to plan and build by Habitat for Humanity and a host of sponsors. It is the first of its kind in the nation. The “shared model” concept of the home has already inspired 18 other communities to begin construction of similar homes for veterans.

Cardboard Solutions

The holiday season is approaching and always brings an overflow of cardboard. Large corrugated cardboard boxes, like those bicycles or mattresses are packaged in, are accepted at the **Recology Dixon Recycling and Buy-Back Center** at the corner of First and C streets. The **Center** is open Tuesday through Saturday from 9AM until 3PM. Boxes may always be flattened and placed in the blue recyclables Toter® for collection.

Holiday Schedule

There will be no change in the collection schedule for Thanksgiving. Residential waste collections will be made as usual on Thanksgiving, Thursday, November 28. The **Recology Hay Road Landfill** will be open on Thanksgiving Day.

Christmas and New Year's Day fall on Wednesdays this year. There will be no collections on these holidays. All collections will take place one day later than regularly scheduled. Friday collections will take place on Saturday.

The **Recology** office in Vacaville, the **Recycling Facility** in Dixon and the **Recycling Facility** in Vacaville will all be closed on Thanksgiving Day, the day after Thanksgiving, Christmas Day, and New Year's Day.

Holiday schedule information is available at: recology.com

Recycling Resource

The **Recology Recycling and Buy-Back Center** at the corner of First and C streets is open Tuesday through Saturday from 9AM until 3PM. It accepts oil filters; used cooking oil; household batteries;

Some recyclable materials cannot go in your blue Toters® but they can be taken to convenient recycling centers in Dixon and Vacaville.

scrap glass; tin food cans; corrugated cardboard; newspaper, mixed paper and shredded paper; and plastic items such as milk jugs. The **Center** pays various amounts for items like aluminum cans; glass (sorted by color); motor oil, and some plastics.

The **Recology HHW Recycling Center** in Vacaville, located at 855^{1/2} Davis Street, is open **on Saturdays only** from 9AM until 3PM. It accepts auto batteries, antifreeze, paint, solvents, thinners, pesticides, herbicides, aerosols, gas, auto fluids, fluorescent lighting tubes, spa and pool chemicals, and other household hazardous waste. Materials are only accepted from residential customers from Dixon, Vacaville, and unincorporated Solano County. Click on our website at recology.com or call us at 678-4026 for more information.

Put Leaves in Their Place

Please refrain from raking leaves into the street and properly contain leaves for recycling or debris for disposal. Homeowners must make sure that commercial gardeners do not rake or blow leaves into the street. Only water should go in the storm drain system. For more information call 1-800-CLEANUP.

What can and cannot go in the blue Toter®?

Customers in Dixon are able to recycle a great variety of materials. Following is a list of the materials that can and **cannot** go in the blue Toter®.

Place in the Blue Toter®:

Paper-Newspaper, boxes, bags, cardboard (flattened), magazines, catalogs, glossy paper, phone books, softcover books, shredded paper in paper bags, junk mail, envelopes, all colors of office paper.

Glass-All beverage and food containers in all colors. Empty container, rinse, and remove lid or cap.

Plastic-All #1 through #7 narrow-neck bottles (water, soda, and detergent bottles), trays and containers. All California Redemption Value (CRV) containers. Plastic tubs for margarine, butter, yogurt, etc. Empty all containers and rinse.

Metal-Food and beverage cans (aluminum, steel, and tin). Rinse. Clean aluminum pans or foil. Empty aerosol cans. Metal lids from jars.

The following materials are not recyclable. Check website or call for proper disposal instructions.

Never Place in the Blue Toter®:

Paper-No hardcover books or binders; soiled papers, food wrappings, napkins, tissues or towels, waxed paper milk cartons or waxed paper juice cartons.

Glass-No drinking glasses; ceramics; window glass or mirrors; light bulbs or fluorescent tubes.

Plastic-No plastic toys, cups, garden hoses, etc.; plastic bags; Styrofoam; clam-shell food containers; PVC or other piping.

Metal-No electronic or computer equipment; hangers; scrap metal; fuel or propane tanks, etc.

Bundles, boxes, or bags of materials placed outside of the Toter® will not be collected.

Click recology.com or call 678-4026 for more information.

The Recology Way!

Fructuoso Valdez worked for **Recology** in Santa Rosa for two years before transferring to **Recology Dixon** as a relief driver. He has nothing but high praise for the company in both locations.

"**Recology** is a great company," Fructuoso explains. "They really care about customers and care about the people who work for them. They give you the opportunity to grow and make a good life for your family. Once you land a job with **Recology**, Fructuoso Valdez you stay until you retire."

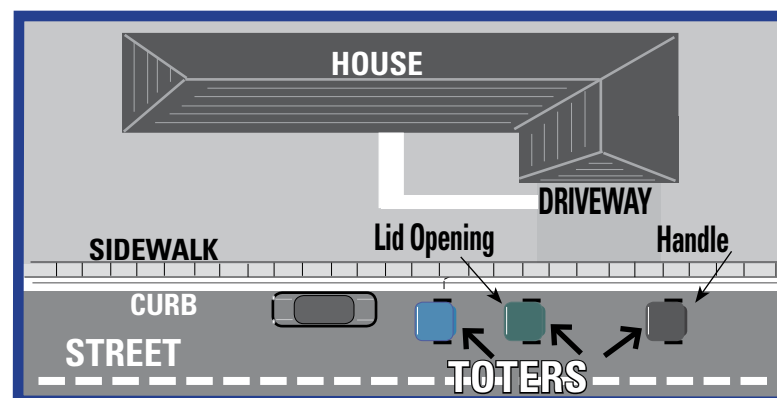

Fructuoso was glad to transfer here from Santa Rosa. He attended high school in Vacaville and feels at home in this area.

"I feel connected here," says Fructuoso. "I know this community. People know that **Recology** really cares."

Fructuoso lives in American Canyon with his wife Alontra and their twin 5 year-old daughters Lucia and Marcela.

Check for proper Toter® placement

- Toters® should be placed out sideways with the right wheel nearest the curb. The handle should be on your left as you face the street with the lid opening towards the right.
- Don't block the sidewalk.
- Don't park cars within 3 feet of Toters®.
- Place Toters® 3 feet apart.
- Put Toters® out by 6AM on your pickup day.
- Remove Toters® from curb as soon as possible after pickup and place them out of view from the street.

Last Call for Compost

Up to three yards per day of free compost are available for pickup to Dixon residents who reside in the city limits. Show your **Recology** bill or other identification at the **Recology Hay Road** scalehouse. Compost will only be available until October 31, weather permitting.

Customers are entitled to three yards per visit, one visit per day. Supply is limited and subject to supply on hand. Bring a shovel to load up your vehicle, and bring a tarp to cover your load of compost.
