Belmont Creeks to Bay Cleanup Every Saturday in September 9 AM – 12 PM

Clean your neighborhoods, local parks, streets, and storm drains for this year's Coastal Cleanup. Trash travels through storm drains, creeks, and rivers to become beach and ocean pollution. Help clean the beach by picking up litter in your community with your household. For safety reasons, there are no large, centrally organized cleanup sites this year. Instead, cleanups will be self-guided and close to home.
